

Standard specifications:

Prices given below are for boards manufactured to our standard specification i.e. constructed in solid oak or oak-veneered mdf framed in solid oak as detailed and with a clear lacquered finish and supplied with brass picture plates for wall-mounting. Medium and dark oak lacquered finishes are available at a small extra cost.

Lettering is applied in computer-cut vinyl characters and logos, crests etc can be reproduced from suitable artwork supplied by the client, and are printed onto vinyl and applied to the board. This allows subsequent additional lines of text to be sent to you for application on site, hence doing away with the need to return boards to us for updating. Times Roman is used as the default font unless otherwise specified on your order. "Single Column" in the descriptions below denote space for a name, initials and two dates. In all cases a proof layout is submitted for approval prior to manufacture.

Options:

A wide range of options are available including boards manufactured in different timbers including ash, beech, cherry and mahogany, alternative fixing methods such as split battens or keyhole fixings, decorative borders and hand-painted lettering and crests.

Additionally, if necessary, we are able to supply completely bespoke boards to match existing furnishings and surroundings. To receive a no-obligation quotation please contact us with details of your requirements.

For further information including hints and tips on designing the layout of the content of your board, please see the help document "Designing an Honours Board" which is available from the "pdf Download" section of our website, or as a hard copy on request.

Solid Oak, unframed (single column)			
	Description & Overall Size (W x H)	Reference	Price exc. V.A.T.
