New!

A range of bollards, markers and posts in heavy-duty recycled plastics with the following benefits:

- **Sturdy, vandal-resistant construction**
- **Will not rot, warp, fade or split**
- **Little or no maintenance required**
- **Sustainable: produced from recycled materials and can be recycled**
- **Low whole-life cost**

Bollards

Options for bollards include reflective bands and anchor bars. Removable and reinforced versions of some items are available.

Posts

Round & square posts are available in a wide range of sizes. The standard colour of all bollards and posts is black. Other colours may be available depending on quantity.
