Solar Powered Notice Boards

NPS0901

Greenbarnes Ltd, Unit 7, Barrington Court, Ward Road, Brackley, Northants NN13 7LE
T 01280 701093 F 01280 702843 www.greenbarnes.co.uk sales@greenbarnes.co.uk

Our new solar powered notice boards allow you to have an illuminated board without the need for an electrical source. The lighting is activated by a passive motion sensor that detects movement after dusk. This drastically reduces the power consumption of the unit. Glazed & lockable these cases offer a robust solution to display requirements whilst also addressing the important issue of sustainability.

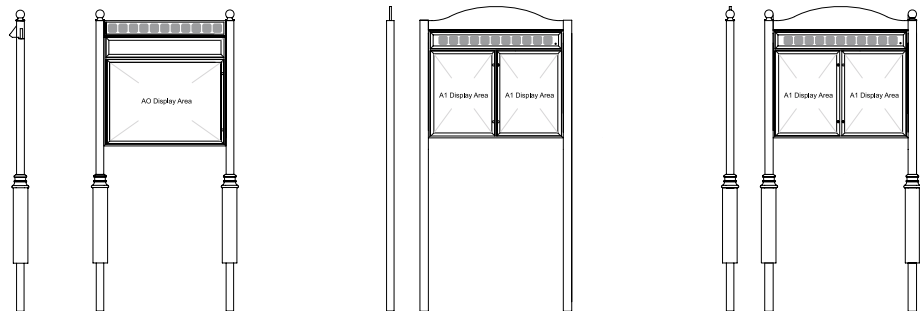

Specifications

- Wall or Post Mounted Options Available
