# BOLLARDS & POSTS

## IN RECYCLED PLASTIC

Price List

GREENBARNES LTD

### Material:

Constructed from heavy duty recycled plastic, these bollards are sturdy & vandal resistant, will not rot or warp and can be recycled after use. With no maintenance required other than periodic cleaning, whole-life costs are minimised whilst at the same time setting new standards for sustainability.

### Options:

Most of the bollards & posts below can be supplied with a 20mm high reflective strip (cost from £4.50 per unit). Depending on quantity required we may also be able to provide items in alternative colours, (brown or white). Please contact us to discuss your requirements further or to receive a no-obligation quotation.
