

**Standard specifications:**

Prices given below are for signs manufactured to our standard specification i.e. constructed in 3mm aluminium sheet with folded returns, welded corners and powder coated to a RAL colour. Post mounted versions are supplied with 76mm diameter 2500mm long posts. Wall mounted versions come with necessary fixings. All are available on a 2-4 week lead time.

Lettering is applied in computer-cut vinyl characters. Logos, crests etc can be reproduced from suitable artwork supplied by the client, and are printed onto vinyl and applied to the signs when specified.

Options:

A wide range of options are available including decorative finials, collars & base embellishers for posts, anti graffiti products, etc.

We are also able to supply completely bespoke signs to match existing furnishings and surroundings. To receive a no-obligation quotation please contact us with details of your requirements. Prices are based on supply of single items. Discounts may be available for orders of multiple trays. Please contact us for a no-obligation quotation by completing our quotation request form which can be found at http://www.greenbarnes.co.uk/wp-content/uploads/stq_web.pdf

ADDITIONAL INFORMATION

Sign panels & sign trays can be made to any size. If the above standard sizes are not suitable we will be happy to quote on a bespoke size. Please contact us for a no obligation quotation on any of the standard sizes or bespoke requirements.

Once an order is received we will generate a layout for your approval prior to production.

We have a variety of anti graffiti products which can be applied to the above signs. These range from spray on graffiti films to polycarbonate sheets with stand-offs. In all cases please contact us if you feel you will require additional protection to your sign.

Hooped Aluminium Signage Systems

General Info

These formed tube signs are extremely eye catching, with a 50 or 76mm diameter tube curved to suit the sign tray. Trays can go up to a size of 2950mm x 1425mm with 50mm folded returns all round. They can be powder coated to a RAL colour, in a special marble or wood effect finish or in a mill finish for clients own painting process.

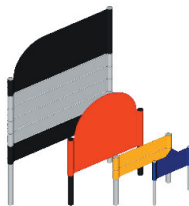

Modular Aluminium Signage Systems

General Info

This robust 'post & plank system' is ideal for directory type signage, offering multiple 'planks' on a pair of posts. Planks are available in heights of 50, 100, 165 & 300mm and up to a width of 2000mm. As with all our signage the units can be powder coated to a RAL colour, in a special marble or wood effect or in mill finish for clients own paint process. There is also the option to have components finished in contrasting colours.

AS760 Aluminium Signage Systems

General Info

The AS760 system is a low cost double sided aluminium sign system supported by 76mm diameter posts. Post & Panels can be powder coated to a RAL colour (see below) , to a special marble or wood effect or supplied in mill finish. We offer a variety of standard shapes & sizes in addition to custom shapes when required.

ADDITIONAL INFORMATION

Sign panels & sign trays can be made to any size, if the above standard sizes are not suitable we will be happy to quote on a bespoke size. Please contact us for a no obligation quotation.

Once an order is received we will generate a layout for your approval prior to production.

We have a variety of anti graffiti products which can be applied to the above signs. These can range from spray on graffiti films to polycarbonate sheets with stand-offs. In all cases please contact us if you feel you will require additional protection to your sign.

Standard RAL colours (Other colours available at additional costs)
